* Degree Type: B = Bachelor's, M = Master's, FP = First Professional, DR = Doctoral

² At the fourth year of a five or six year master's program the student is awarded the BSHS degree.

³ BS Engineering awarded from an associated institution (Case Western Reserve University or the University of Pittsburgh). A BA in Physics from Duquesne awarded at same time, but not until completion of the engineering degree from the associated institution.

⁴ The Pre-Health Professions Program is a university-wide program open to students in any major seeking a career in medicine as well as dentistry, podiatry, optometry, chiropractic or veterinary medicine. The student receives a BA or BS degree in a major from Duquesne University before matriculating to medical school.

⁵ A cooperative degree program with Lake Erie College of Osteopathic Medicine (LECOM), administered at Duquesne by the School of Natural & Environmental Sciences, in which students complete prerequisite coursework for admission to LECOM's osteopathic medicine program. At the end of three years, the student matriculates to LECOM, and after successful completion of the first year at LECOM, the student receives a Bachelor of Science degree from Duquesne University.

⁶ This program is designed for individuals who have completed a bachelor's degree and are interested in pursuing a career in medicine, dentistry, podiatry, optometry, chiropractic, or veterinary medicine. Upon successful completion, the student is prepared to matriculate to a medical school.
