NOTES:								
(1) Counts of "part-time faculty" include the following:								
	(a) any full-time faculty member being paid an additional payment to teach a class on an overload basis, either within or outside his/her home department.							
	(b) part-time faculty being paid to teach in more than one department are counted once in each department.							
	(c) the FTE calculation corresponds to the one used in US News and World Report, some IPEDS reports (the Institutional Characteristics, for example), and the Common Data Set: specifically, FTE = # of full-time + 1/3 # of part-time. Institutionally, that may not be consistent with other calculations of FTE.							
	(d) figures in Pharmacy do not include preceptors.							
	(e) figures do not include teaching assistants.							
(2) Other includes Spiritan Division (93), High School (9), Post Baccalaureate Studies (30), Cross Registered (15), Graduate Non-Matriculated with credits (1), Personal Goals (46), Visiting (3) and Forensic Science (5).								
(3) English as a 2nd Language students and faculty are included in Liberal Arts.
