* Total faculty headcount may differ from counts reported in other sections of the Fact Book for the following reasons:

(1) Counts of "part-time faculty" include the following:

- (a) any full-time faculty member being paid an additional payment to teach a class on an overload basis, either within or outside his/her home department.
- (b) part-time faculty being paid to teach in more than one department are counted once in each department.
- (c) the FTE calculation corresponds to the one used in *US News and World Report*, IPEDS Fall Enrollment Survey, and the Common Data Set: specifically, $FTE = \# \text{ of full-time} + 1/3 \# \text{ of part-time}$. Institutionally, that may not be consistent with other calculations of FTE.
- (d) figures in Pharmacy do not include preceptors.
- (e) figures do not include teaching assistants.

(2) Other includes Spiritan Division (93), High School (7), Cross-Registered (24), and Forensic Science and Law Certificate (1).

(3) English as a 2nd Language students and faculty are included in Liberal Arts.
