\* Total faculty headcount may differ from counts reported in other sections of the Fact Book for the following reasons:

(1) Counts of "part-time faculty" include the following:

(a) any full-time faculty member being paid an additional payment to teach a class on an overload basis, either within or outside his/her home department.

(b) part-time faculty being paid to teach in more than one department are counted once in each department.

(c) the FTE calculation is the # of full-time faculty + 1/3 # of part-time faculty. Since this calculation includes faculty in stand-alone graduate or professional programs, it does not correspond to figures in *US News and World Report*, IPEDS Fall Enrollment Survey, and the Common Data Set.

(d) figures in Pharmacy do not include preceptors.

(e) figures do not include teaching assistants.

(2) Other includes: Spiritan Division (97), High School (3), Cross-Registered (22), Forensic Science and Law Certificate (4), Personal Goals-Audit (1).

(3) English as a Second Language students and faculty are included in Liberal Arts.

<sup>1</sup> Brottier is an apartment-style residence hall, therefore bed count is actual capacity count.

<sup>2</sup> Due to increased demand, quad and triple housing was created in Assumption Hall, St. Ann Hall, and Vickroy Hall. These changes created an additional 77 beds to reach the capacity of 3,796.

<sup>3</sup> Headcount by classification is from student's self-reported, signed Verified Floor Rosters as of 9/21/12. This may not be consistent with headcount by classification based on earned credits reported in sections of the University Fact Book.
